Delays in SWIFT Processing Solved

GSS Austria Back to Business as Usual

25 November 2024

Further to the previously communicated problems regarding SWIFT processing within our custody system, we are happy to inform you that the issue has been fixed and all backlogged SWIFT messages have now been loaded properly. The Friday statements have been sent out to clients in a timely manner and as expected. Settlements for today have been initiated without any further issues noted.

Impact on investors: GSS Austria is back to standard operation and settlement of all transactions has been initiated without further issues.
