Notary's Register no. 36480

Serial no. 17531

MINUTES OF THE SHAREHOLDERS' MEETING IN ORDINARY AND  
EXTRAORDINARY SESSION OF

"UniCredit, società per azioni"

REPUBLIC OF ITALY

In the year two thousand and twenty-three, on the twenty-seventh day  
of the month of October

at 10:00 in the morning

In Milan, at UniCredit Tower Hall, Via Fratelli Castiglioni no. 12  
27 October 2023

At the request of "UniCredit, società per azioni", the Holding Company of the UniCredit Banking Group, a member of the Register of Banking Groups Code no. 02008.1, and of the Interbank Deposit Protection Fund and the National Compensation Fund, with Registered Office in Milan, at Piazza Gae Aulenti no. 3, Tower A, with share capital of €21,278,324,388.48, paid up to a total of €21,277,874,388.48, membership number in the Milan, Monza, Brianza Lodi Trade and Companies Register, Tax Code and VAT number 00348170101 (R.E.A. MI-992).

I, Ms. EZILDA MARICONDA, a Notary Public resident in Milan, a registered member of the Notary District Boards of Milan, Busto Arsizio, Lodi, Monza and Varese, did on the aforesaid day at 10:00 in the morning go to Milan, to UniCredit Tower Hall, Via Fratelli Castiglioni no. 12, to attend and draw up the minutes of the resolutions taken by the Shareholders' Meeting (the "**Meeting**") of the requesting Company as called at the aforesaid premises, at 10:00 am in a single call for the ordinary and extraordinary sessions, in order to discuss and resolve the following

**Agenda:**

**Ordinary Session**

1. Authorisation to purchase treasury shares aimed at remunerating the shareholders. Consequent and inherent resolutions.

**Extraordinary Session**

1. Cancellation of treasury shares with no reduction of share capital; consequent amendment to clause 5 of the Articles of Association. Consequent and inherent resolutions;

2. Amendments to the Articles of Association to adopt the one-tier corporate governance system.

Upon entering the Meeting hall, I acknowledged the presence at the Chairman's table of Mr. PIETRO CARLO PADOAN, born in Rome on 19 January 1950, and domiciled for the purposes of the office hereunder in Milan, at Piazza Gae Aulenti no. 3, Tower A, the Chairman of the Board of Directors of the requesting Company, who

in such capacity, pursuant to clause 16 of the Articles of Association, assumed the chair of the Meeting and declared the Meeting commenced.

Mr. Pietro Carlo Padoan, of whose personal identity I, Notary Public, am certain, welcomed the Shareholders to the Meeting with the following words:

"Thank you for all being here today.

As Chairman, I would like to open this Meeting by highlighting the extraordinary effort made to implement the UniCredit Unlocked multi-year plan. This is thanks to the very effective work of our management team and, more generally, of all our employees. The plan has been a challenge, but the Bank has delivered and continues to deliver results that continue to improve, even in the current complex and competitive financial scenario.

Our results show that this is also a sound long-term plan. The quarter just ended is the eleventh consecutive quarter in which we have delivered excellent results. This has been achieved despite a challenging macroeconomic environment that is showing the first signs of an economic slowdown.

The Bank is demonstrating a consistent ability to generate capital organically, combined with financial and non-financial performance that exceeds its targets. As a result of this, subject to regulatory approval, we will be able to bring forward part of the 2023 share buyback plan that we are submitting to you, our shareholders, at today's Meeting.

I firmly believe that UniCredit's future will hold many more successes. The Bank's transformation is not yet complete, but we are already looking to the future and the next growth phase, which will certainly hold some unique challenges, especially in a world where sustainability, both in terms of financial performance and environmental and social responsibility, is paramount.

As part of this transformation, the Board has assessed and is now proposing a renewal of the corporate governance model to ensure a governance structure that is more in line with international standards and more understandable to market participants. The choice to adopt the one-tier model will not only improve the Bank's governance in the years ahead, but will also bolster management efficiency and make our controls more effective. Indeed, one of the fundamental aspects of the new model is the streamlining of controls: the aim is to improve coordination and interaction between Board Committees, further strengthening the Bank's governance framework.

Let me conclude by saying we are here today because of the management team's commitment and vision, the success of UniCredit Unlocked and the Bank's resilience. What has not changed is our commitment to ensuring service excellence, advancing our sustainability goals and developing our governance to best support our customers, stakeholders and communities.

Together, as shareholders and stakeholders, we will continue to transform UniCredit into Europe's Bank of the Future.

Thank you all".

The Chairman stated that the notice calling the Meeting, together with the agenda, had been published on the Company's website and made available to the public on 21 September 2023, in accordance with the procedures provided for by current laws and regulations. Pursuant to clause 16 of the Articles of Association and section 2375 of the Italian Civil Code, the Chairman asked me, Notary Public, to draft the minutes of the ordinary and extraordinary sessions of the Meeting, in the form of a public deed.

The Chairman stated the following persons were in attendance:

- from the Board of Directors, in addition to himself, the Chairman, Mr. Andrea ORCEL, the Chief Executive Officer (CEO).
- from the Board of Statutory Auditors:

.. Marco Giuseppe Maria RIGOTTI	Chairman
.. Antonella BIENTINESI	Standing Auditor
.. Claudio CACCIAMANI	Standing Auditor
.. Benedetta NAVARRA	Standing Auditor

while Standing Auditor Guido PAOLUCCI had justified his absence.

Mr. Gianpaolo ALESSANDRO, Secretary to the Board of Directors, was also in attendance.

Moreover, there were also Head Office Senior Managers as well as other Bank personnel involved in organising the Meeting.

Mr. Enrico Monicelli, representing Computershare S.p.A., the company chosen by UniCredit as the Designated Proxy Holder, was present.

Furthermore, consultants, financial analysts and accredited trade journalists were allowed to access the Meeting in a separate room connected via a closed-circuit audiovisual system.

The Chairman then stated that the Company's share capital currently amounted to €21,277,874,388.48 and was represented by 1,784,633,080 shares with voting rights.

The Chairman also indicated that:

- the compliance of proxies with the current provisions had been verified;

I, Notary, noted that:

- 1,232,045,932 shares were currently represented in the room - equal to 69.035212% of the share capital - by 3,978 persons holding voting rights for themselves or by proxy: of this, 19 holders of voting rights were present in person and 3,959 holders of voting rights were represented by proxy.

He added that, of those holding voting rights who had sent proxies, 10 had given their proxy to the Designated Proxy Holder, pursuant to article 135-*undecies* of the Consolidated Law on Finance (*TUF*). The Chairman thus stated that the Meeting was duly established and able to pass valid resolutions in a single call on the item on the agenda in ordinary session, in accordance with the law and

the Articles of Association.

The Chairman stated:

- based on the contents of the Register of Shareholders, as updated for notices received pursuant to the law and for checks carried out for the purposes of admission to voting, there were currently 259,000 registered shareholders.

- according to the information known to the Company and based on the results on CONSOB's website, the following shareholders held, directly or indirectly, more than 3% (three per cent) of the capital represented by shares with voting rights at this Meeting:

.. BLACKROCK GROUP - 114,907,383 shares equal to 6.439% of the share capital (in the form of non-discretionary asset management);

.. ALLIANZ GROUP - 69,622,203 shares equal to 3.901% of the share capital.

The Chairman stated that voting would take place through a computerised system using the voting terminals (or "radiovoters") in possession of each shareholder.

Slides with instructions for using these would be displayed later in the Meeting.

Proxy-holders and representatives of fiduciary companies needing to cast different votes at each ballot should inform me, Notary, of this requirement and cast their votes at the specific "assisted voting stations" set up for this purpose.

The Chairman stated that the electronic system used to record the number of persons present and votes cast produced the following documents that would be attached to the Meeting minutes:

- lists of shareholders present in person and by proxy;
- separate lists for the different types of vote cast.

He pointed out that simultaneous translation was provided both in English and Italian to help those attending participate in the Meeting. Thus, all speeches had to be made exclusively from the designated podium, after registering with the staff in the hall specifically for this purpose, so that simultaneous interpretation could be guaranteed and thus proper participation in the debate for all those entitled to do so.

He noted that, pursuant to article 3, paragraph 2 of the Meeting Regulations, the proceedings of the Shareholders' Meeting would be videotaped.

He then said that no instruments of any kind could be used by those in the hall to record, photograph or broadcast the Meeting and that appropriate action would be taken were this requirement not adhered to.

Finally, he reminded anyone who wished to speak during the debate that they had to make a special request at the desk in the hall, before adding that the forms for such requests could be obtained from the hostesses in the hall.

He also said that Associazione Liberiamo la Basilicata, Comitato

Aria Pulita Basilicata Onlus and Mr. Elman ROSANIA (jointly) as well as Mr. Marco BAVA and Mr. Tommaso MARINO, representing a total number of 8 shares, had exercised their right to ask questions on the items on the agenda of the Meeting, pursuant to article 127-ter of the Consolidated Law on Finance (*TUF*).

In this regard, he said that a printed booklet containing UniCredit's answers to the questions deemed relevant to the items on the agenda of the Meeting, formulated by eligible shareholders and received by the deadline, was available to shareholders. This document would be annexed to the minutes of this Meeting, which would be published on UniCredit's website.

The Chairman thus began the discussion of the sole item on the agenda in ordinary session:

"1. Authorisation to purchase treasury shares aimed at remunerating the shareholders. Consequent and inherent resolutions".

The Chairman reminded the Meeting that it had been called in ordinary session to approve the proposal to authorise the purchase of a maximum number of UniCredit shares equal to a total expenditure up to €2,500,000,000.00 (two billion five hundred million) and, in any case, not exceeding no. 160,000,000 (one hundred and sixty million) shares.

He also said that the European Central Bank had granted the relevant authorisation on 26 October 2023.

The Chairman invited the CEO to present the item in question with the aid of slides and, as there were no objections, dispensed with a full reading of the Directors' Report on this item, as it was available to all present and had been made available to the public in the manner and under the conditions required by law.

CEO Andrea ORCEL took the floor and told everyone present that, as announced in the press release of 26 October, the ECB had authorised a tranche of up to €2.5 billion of the 2023 share buyback programme. As such, he continued, shareholders' authorisation was required to buyback a maximum of 160 million shares. Such approval was necessary to bring forward the 2023 share buyback programme, which was part of UniCredit's total distribution target of at least €6.5 billion announced for 2023. The final amount and distribution split between share buyback and dividend would be determined later, based on the actual results in 2023. He said it was important to highlight that the Company was benefiting from high levels of capital, having achieved, as of the third quarter -, as per the results made public on 24 October 2023 -, a fully loaded Common Equity Tier 1 ratio of 17.9% and best-in-class organic capital generation, backed by consistently strong financial performance due to excellent asset quality and a structurally lower cost of risk. Even net of the €2.5 billion tranche for which approval was being sought at the Meeting, the pro forma fully loaded CET 1 ratio was 16.33% as of

the third quarter of 2023, well above regulatory and management requirements.

All this, he said, had made it possible to confirm or increase the financial guidelines for 2023 and put the Company in the best possible position to deal with any macroeconomic uncertainties, allowing it to bring forward part of the distribution to shareholders planned for 2023.

He added that the successful completion of the 2021 and 2022 shareholder distribution programmes, together with the intention to launch a tranche of the 2023 share buyback programme, were a further step towards fully achieving the UniCredit Unlocked strategy and the Bank's financial ambitions, generating strong returns and value creation for shareholders while strengthening the Bank.

He therefore noted that the proposal submitted to the Meeting was to authorise the Board of Directors to buy back UniCredit shares, including fractional amounts, pursuant to article 2357 of the Italian Civil Code and article 132 of the Consolidated Law on Finance (*TUF*).

The following were the key features of the transaction: 1) The maximum number of UniCredit shares that could be acquired would correspond to a maximum expenditure of €2.5 billion and should in any case not exceed 160 million UniCredit shares, representing approximately 9% of the shares outstanding as of today's date; 2) The authorisation would expire at the earliest date between the date of the Annual General Meeting called to approve the Financial Statements for 2023 and 30 June 2024; 3) The minimum and maximum prices of each purchase could not differ by more than 10% in either direction from the official price on the Milan Stock Exchange, Euronext, on the previous trading day; 4) With regard to the resources to be used to carry out the share buyback, the purchase transactions would be carried out using part of the available reserves, in particular the statutory reserve; 5) The cancellation of treasury shares, if any, would not result in a reduction of share capital as UniCredit shares had no par value. Cancellation would be done by reducing the number of existing shares, resulting in an increase in the accounting par value. Clause 5 of the Articles of Association would be amended accordingly; 6) The execution of the share buyback tranche would take place through a broker appointed by UniCredit.

After the CEO had finished his presentation of the topic, the Chairman opened the discussion on the first item on the agenda of the Meeting in ordinary session, inviting all those present who wished to speak to state their names before speaking and to focus their speeches and questions on the aforementioned item. He also asked that the speakers be as succinct as possible, bearing in mind that the time deemed appropriate for each shareholder, given the topic, would not exceed five minutes. He

also asked all shareholders to behave in such a way that he would not have to intervene and that the Meeting would run smoothly. The Chairman, after a brief exchange with shareholder Marco BAVA concerning the time allotted to shareholders for their speeches, gave the floor to the first shareholder registered to speak, Antonio BAXA, who, after complaining that the time allotted for speeches was only five minutes, expressed his great appreciation of the work done by the current Board of Directors and hoped that it could be renewed for another three years in its current composition.

He then recalled the case of a conference sponsored by the Bank at which a Bank representative gave an excellent speech, which added further lustre to the Bank.

He then asked about the purchase of two and a half billion shares and asked for clarification on the expected deadline.

Next, referring to the proposal to adopt the one-tier system, he asked why this proposal had to be approved at a General Meeting in extraordinary session.

Mr. Stefano PORRO, UniCredit's Chief Financial Officer, took the floor to clarify that the deadline for the purchase of the shares would be the earlier of the two dates between the date of approval by the Shareholders' Meeting of the financial statements for the year ending 31 December 2023 and 30 June 2024.

Finally, he pointed out that, since the Bank had already received authorisation from the European Central Bank for the aforementioned purchase on 26 October past, the Board of Directors and, on its behalf, the Chief Executive Officer, would be in a position to immediately initiate the procedures to purchase the shares once authorisation had been granted by today's Meeting. In such a case, it was highly likely the purchases would be completed earlier than either of the two indicated dates.

The Secretary to the Board of Directors, Mr. Gianpaolo ALESSANDRO, a lawyer, took the floor and, with reference to the question about the adoption of the one-tier system, even though it was related to another item on the agenda that day, reiterated that the adoption of the aforementioned system entailed a series of amendments to the Articles of Association which, in accordance with the law, had to be submitted to the Shareholders' Meeting in extraordinary session.

Shareholder Gianluca FIORENTINI took the floor and, in view of the brevity of his speech, asked that it be recorded in full. He immediately announced that he would vote in favour of the only resolution on the ordinary part of the agenda, stressing that as a shareholder he particularly liked the point where the report highlighted the indication of "an increased and growing shareholders distribution".

With regard to the items on the agenda in extraordinary session, he expected to vote in favour of both, and stated that he

particularly supported the Bank's decision to adopt the one-tier system.

Finally, he posed a question that he felt had to be relevant to the agenda as it related to the very nature of the shareholders' meeting.

He consequently referred to the bill that had just been passed by the Senate, which sought to prevent the direct participation of shareholders defined as "troublemakers", possibly by introducing timocratic criteria, noting Solon's Timocratic Reform in Ancient Greece.

He therefore asked from the outset, and reiterated that this might be his last opportunity to do so in person, whether, in the unlikely and unbelievable scenario of the implementation of the above-mentioned law, the Bank would be in favour of or against amending its Articles of Association in this direction, thereby preventing future personal participation by shareholders or making it conditional on the holding of a significant shareholding.

Mr. Gianpaolo ALESSANDRO intervened again and, after stating that he did not think the question was really relevant to the item on the agenda, reiterated that once the law had been enacted and its content was clear, the Bank would analyse it and, in any event, if it decided to formulate a proposal for different rules on the holding of General Meetings, it would require the approval of any amendments to the Articles of Association submitted to the Extraordinary General Meeting, which would be sovereign in deciding whether or not to approve them.

Shareholder Ruggero MELI took the floor and stated that he was in favour of the distribution of profits to the shareholders, but recommended that the Bank should take due account of the need for stability in the distribution of profits, recalling the need to activate a system of control and supervision. He specifically called for the utmost prudence in the allocation of reserves, especially those relating to the tax on so-called additional profits and those relating to the purchase of treasury shares, since it was not only the Bank's security and stability that were at stake, but also that of Italy as a whole at a time of economic crisis.

Mr. Stefano PORRO took the floor to provide some clarifications on the Bank's allocation of certain reserves, pointing out that the reserve relating to the tax on additional profits was a reserve that had nothing to do with the Share Ownership Purchase Plan. He said that following the Board of Directors' proposal on the result of the 2023 financial year, the shareholders' meeting would be asked to allocate a defined and specific reserve of approximately €1.125 billion in relation to the tax on the additional profits. This reserve was not available for distribution until the Shareholders' Meeting, acting on a

proposal from the Board of Directors, should so decide. Only if and when this happened would a tax on additional profits of around 450 million have to be paid, plus interest accrued up to that moment.

However, he stressed, this was completely separate from the share buyback programme, in the sense that the share buyback programme, up to a maximum of €2.5 billion, provided for the subsequent cancellation of the shares acquired, using reserves other than those created for the additional profits.

Shareholder Elman ROSANIA took the floor and, as he requested his speech be recorded in full, the complete transcript is below:

"As announced in a letter sent the day before yesterday, 25/10/2023 to Chairman Pietro Carlo Padoan (from *minoranzainunicredit@libero.it* to *pietrocarlo.padoan@unicredit.eu*), the representation of the group of minority shareholders of the former Banca Mediterranea del Sud Italia is attending, for the 41st (forty-first) time, the Shareholders' Meeting of the bank/body responsible for the merger by incorporation of the original Lucania bank into Banca di Roma/Capitalia (since 2007 Unicredit), which was decided by majority vote at the respective Shareholders' Meetings held in Potenza and Rome on 26 and 28 April 2000.

As is known, the compensation dispute arising from the above-mentioned merger by incorporation concerns a minority Group of Sud Italia shareholders who hold approximately 1.2% of the original share capital of the former Banca Mediterranea and this dispute is currently being examined by the Courts on appeal, following Ruling no. 71/2008 of the Melfi Civil Court, the extract of which is attached under letter E/2 to the minutes of the Unicredit Shareholders' Meeting held in Rome on 8 May 2008, chaired by the then Chairman Dieter Rampl, assisted by the then CEO Alessandro Profumo and the Notary Salvatore Mariconda, who took the minutes.

Mr. Chairman, I am taking the floor in continuity with the previous speeches of the same minority group from Sud Italia that I represent, whose members were able to attend in person until the Unicredit Annual General Meeting on 11/04/2019, chaired by the late Chairman Fabrizio Saccomanni and assisted by the then CEO Jean Pierre Mustier. After this, the Bank's directors and senior management, on the basis of exemptions granted to them by measures adopted by politicians and parliamentarians of the Republic of Italy, including the Company's consultant and Senator of the Republic, Massimo Garavaglia, of the "Lega Salvini Premier" parliamentary group, decided to convene "behind closed doors" all the Bank's subsequent meetings to approve the financial statements on 9 April 2020, 15 April 2021, 8 April 2022 and 3 March 2023, prohibiting shareholders from attending in person and forcing them to give proxies to the so-called Designated Proxy Holder appointed by the self-same Bank top management.

In order to be present at this meeting called in ordinary session for "*Authorisation to purchase treasury shares aimed at remunerating the shareholders*" and in extraordinary session for "*Cancellation of treasury shares with no reduction of share capital*" and "*Amendments to the Articles of Association to adopt the one-tier corporate governance system*" I travelled some 900 kilometres from the south of Italy to Milan, putting up with new strains and charges, as Unicredit does not provide any support in terms of travel and accommodation for shareholders (or their proxy-holders) who are particularly distant from the meeting venue in Lombardy. Furthermore, for the first time, from 8 May 2008 (i.e. on the occasion of the first Unicredit meeting held after the creation of Capitalia) until 11 April 2019 (i.e. until the last Unicredit meeting convened "openly"), I have noted the unavailability of the workstation made available to shareholders taking part in the debate and also equipped with a computer and printer, as also reported and requested in the aforementioned letter of 25 October 2023 sent to you, Chairman Padoan.

Staying on the only item on the agenda of the ordinary session of this meeting, I would like to remind you of the written requests submitted by the former Banca Mediterranea Minority Group, which I represent, together with the environmental organisations of Lucania, Associazione Liberiamo la Basilicata and Comitato Aria Pulita Basilicata Onlus, by the deadline of 20 October 2023 set by Unicredit's top management.

Unfortunately, the related answers only recently provided by Unicredit's top management (in contrast to the previous AGM on 31/03/2023, when the same top management provided answers to the written questions two days before the AGM, publishing them on the Company's website [www.unicreditgroup.eu](http://www.unicreditgroup.eu)) appear unsatisfactory and, in this respect I request that all the written questions and answers submitted for this AGM be published in full, without any omissions, on the Company's website, as is the case with all other competing banks, including the main one headquartered in Italy, Intesa Sanpaolo, for the sake of transparency.

Finally, it would be interesting to know whether the directors and senior managers and/or persons close to them have any news and/or information and/or have carried out any activities of any kind regarding renewing top management's optional power to convene meetings behind closed doors, as explained above, currently also in Bill no. 674 ("*Interventions to support capital competitiveness and delegation to the Government for the organic reform of the capital markets provisions referred to in Legislative Decree no. 58 of 24 February 1998 and of the provisions on companies contained in the Civil Code applicable also to issuers*") under discussion (if I am not mistaken), approved a few days ago, on 24 October 2023, by the Senate of the Republic and sent for consideration to the other house of the Italian

Parliament.

I thank you for listening to me and I hope the rest of the meeting goes well."

Mr. Gianpaolo ALESSANDRO took the floor to confirm what was said earlier, namely that the Bank would very carefully analyse any rules issued in the future, and so it would not take a position on such rules until they were finalised.

Shareholder Marco BAVA took the floor and pointed out that Bill no. 674, which had been approved by the Senate and so was likely to become law, set out in article 12 that meetings of listed companies would be held behind closed doors, without the participation of shareholders, all of whom would be represented by the Designated Proxy Holder, thus allowing companies to basically do whatever they wanted.

He complained that his questions prior to the Meeting received few answers, as most of them were deemed irrelevant to the topics on the agenda.

He reiterated his disagreement with the proposed share buyback, as he felt that a dividend payment to shareholders would have been much more useful and beneficial.

Shareholder Elman ROSANIA took the floor to briefly reply about the questions and answers prior to the Meeting, which he would have liked to see published in full on the Bank's website.

I, Notary Public, took the floor to provide clarification regarding the manner in which questions and answers prior to shareholders' meetings were published.

In this regard, I referred to article 127b of the Consolidated Law on Finance (*TUF*), which governed such instances and which provided for two different ways of bringing the aforementioned questions and their answers to the attention of all shareholders. The first - the one chosen by the Company for the meetings held behind closed doors - set out precise procedures and dates for the submission of these questions and stipulated that the answers to them must be made available before the Meeting so that, as in the case of the recent meetings behind closed doors, everyone was aware of them and could give voting instructions to the Designated Proxy Holder in the light of the answers received.

The second - the one the Company had chosen for today's Meeting - was that the booklet containing the questions and answers prior to the Meeting be made available to shareholders at the Meeting. Finally, it was decided not to answer and not to publish any questions deemed irrelevant that might be submitted before the Meeting at which the financial statements were approved.

I ended by specifying that, in accordance with article 127-ter of the Consolidated Law on Finance (*TUF*), the booklet of questions submitted prior to the Meeting, together with the answers, would be annexed to the minutes, which would be published on the Bank's website and thus available to all.

This was followed by a brief exchange between shareholder Marco BAVA and the Mr. Giampaolo ALESSANDRO, still on the questions asked before the Meeting, and between myself, the Notary, and Mr. Elman ROSANIA, on his rejected request to attach documents to the minutes.

Once everyone had spoken, the Chairman declared the discussion closed and proceeded to the vote on the first item on the agenda of the Meeting in ordinary session, "Authorisation to purchase treasury shares aimed at remunerating the shareholders. Consequent and inherent resolutions."

He called on any shareholders who might have moved away from their seats momentarily to return and to remain there throughout the voting.

On the assumption that the contents and arguments in the Directors' Report, which had been made available, were agreed with, the Chairman asked the Meeting to adopt the following resolution, recalling, also for the purpose of the resolution itself, that the European Central Bank had granted the relevant authorisation on 26 October 2023.

I, Notary, thus proceeded to read out the proposed resolution: *"Having acknowledged the proposal made by the Board of Directors, the ordinary shareholders' meeting of UniCredit S.p.A., having evaluated the explanatory report of the Board of Directors drafted pursuant to Article 125-ter of Legislative Decree 58 dated 24 February 1998 (the "**Italian Consolidated Financial Act**") and Article 73 of the Regulation adopted by CONSOB with Resolution no. 11971 dated 14 May 1999 (the "**Issuers' Regulation**") and in compliance with and according to the structure of Appendix 3A, table no. 4, of the Issuers' Regulation and the proposal contained therein*

*hereby resolves:*

- 1. to authorise the Board of Directors, pursuant to Articles 2357 et seq. of the Italian Civil Code and Article 132 of the Italian Consolidated Financial Act, to carry out the purchases, also in part and/or in one or more transactions, of shares of the Company, subject to authorisation of the European Central Bank, for the purposes illustrated in the above-mentioned explanatory report of the Board of Directors; the authorisation is granted for maximum shares of UniCredit equal to a total expenditure up to Euro 2,500,000,000.00 (two billion five hundred million only) and, in any case, not exceeding no. 160,000,000 (one hundred and sixty million) UniCredit shares, within the earliest of: (a) the date of the shareholders' meeting which will be called to approve the financial statements for the year ending on 31 December 2023; and (b) 30 June 2024;*
- 2. to authorise the Board of Directors to proceed with the purchases of UniCredit shares pursuant to the resolution under point 1) above, in accordance with the procedures specified*

thereafter:

(i) purchases must be carried out at a price that will be determined on a case-by-case basis, in compliance with the applicable regulatory requirements, including those of the European Union, in force from time to time, it being understood that the purchase price cannot diverge downwards or upwards by more than 10% from the official price registered by UniCredit shares in the trading session of Euronext Milan, organised and managed by Borsa Italiana S.p.A., on the day prior to the execution of each purchase transaction;

(ii) purchase transactions shall be carried out in accordance with Article 132 of the Italian Consolidated Financial Act, Article 144-bis, paragraph 1, letter b), of the Issuers' Regulation, as well as in accordance with any other laws and regulations (including European law and regulations), in force and applicable from time to time;

3. to authorise, for the execution of the purchase plan referred to in point 1) above and in compliance with the authorisation that will be issued by the European Central Bank, the allocation of a maximum amount of up to Euro 2,500,000,000.00 (two billion five hundred million only) to constitute a specific reserve denominated "Unavailable Reserve for the Purchase of Treasury Shares" by withdrawal from the "Statutory Reserve";

4. to grant the Board of Directors and, on its behalf, the Chief Executive Officer, as well as the Company's Executive Personnel, also severally, with all powers in order to, in accordance with the conditions set out in the above-mentioned report, carry out the transaction to purchase UniCredit shares, in any case in full compliance with current regulations and within the limits set out in this authorisation as resolved above, together with any necessary power, none excluded or excepted, to carry out any other formality in order to obtain the necessary authorisations for the above-mentioned resolutions and, in general, any other authorisation for the full execution of the resolutions, including the power to make changes or additions to the resolutions (not substantially modifying the content of the resolutions) deemed necessary and/or appropriate for filing with the Companies' Register or for the implementation of laws and regulations or which may be required by the relevant Supervisory Authorities."

The Chairman asked those in attendance to declare any exclusions from the right to vote, or restrictions thereon, pursuant to current provisions.

Having checked that nobody in attendance had stated that they were prevented from exercising their right to vote, the Chairman invited all voters to vote using the "voting terminal" (radiovoter) and to confirm their choice by pressing "OK". It was possible to view the vote cast on the "voting terminal" display

and verify that it corresponded with the voting intention.

I, the Notary Public, stated that there were present and represented in the room 3,988 persons entitled to vote, representing 1,232,077,842 shares or 69.037000% of the share capital, of whom 231,710 shares were present in person and 1,231,846,132 shares by proxy.

1,232,077,842 shares were admitted to the vote, representing 100% of the shares present or represented at the Meeting.

After a short pause and having checked if everyone present had voted, the Chairman declared the voting closed.

The Chairman then invited anyone wishing to learn the details of the voting (which would be annexed to these minutes in any case) to make their way to the specific Computershare stand.

Consequently, I, Notary Public, announced the results of the voting as follows:

- 1,225,349,399 votes for, corresponding to 99.453895% of the share capital present and entitled to vote and 68.659985% of the share capital;

- 4,961,067 votes against, corresponding to 0.402659% of the share capital present and entitled to vote and 0.277983% of the share capital;

- 1,767,375 abstentions, corresponding to 0.143447% of the share capital present and entitled to vote and 0.099031% of the share capital;

- 1 not voting, corresponding to 0.000000% of the share capital present and entitled to vote and 0.000000% of the share capital;

the total of votes accounted for 1,232,077,842 shares.

The Chairman thus announced that the proposal concerning authorisation to purchase treasury shares aimed at remunerating shareholders, along with the consequent and inherent resolutions, had been approved.

No share for which the Designated Proxy Holder held a proxy was excluded from the voting pursuant to article 135-undecies, paragraph 3, of the Consolidated Law on Finance (*TUF*).

The details of the votes cast, indicating the shareholders who had voted against the motion, abstained or did not vote, and the relevant number of shares owned, were available and would be annexed to the minutes of this Meeting.

The Chairman declared the ordinary session of the agenda closed at 11:09 am and moved on to the items on the agenda for the Meeting in extraordinary session.

I, Notary, noted that:

- 1,232,077,842 shares were currently represented in the room - equal to 69.037000% of the share capital - by 3,988 persons holding voting rights for themselves or by proxy: of this, 28 holders of voting rights were present in person and 3,960 holders of voting rights were represented by proxy.

I added that, of those holding voting rights who had sent proxies,

10 had given their proxy to the Designated Proxy Holder, pursuant to article 135-undecies of the Consolidated Law on Finance (*TUF*). The Chairman stated that the Meeting was duly established and able to pass valid resolutions in a single call on the items on the agenda in extraordinary session, in accordance with the law and the Articles of Association.

Having been informed in advance of the proposals submitted for approval at today's Meeting in extraordinary session and the resulting amendments to the Articles of Association, the Supervisory Authorities issued the relevant decisions pursuant to article 56 of Legislative Decree no. 385/93 (Consolidated Law on Banking - *TUB*) on 26 October 2023 and on 20 October 2023 with regard to items 1 and 2 of the agenda of the Meeting in extraordinary session.

The Chairman then turned to discussing the first item on the agenda of the Meeting in extraordinary session, namely "Cancellation of treasury shares with no reduction of share capital; consequent amendment to clause 5 of the Articles of Association. Consequent and inherent resolutions".

He provided a succinct presentation of the key elements of the proposal, but - as there were no objections - he did not read the entire Directors' Report on this item since it had been made available to all attendees and publicly disclosed in the manner and according to the deadlines established by law.

The Chairman reminded everyone that today's Meeting in extraordinary session had been convened to approve the cancellation of all UniCredit treasury shares that could be acquired and held by the Company pursuant to the authorisation of the Shareholders' Meeting requested at the Meeting in ordinary session.

In particular, he noted the proposed cancellation was in line with the objectives of the transaction to purchase the shares as set out in the Directors' Report on this authorisation, as it was part of the shareholder remuneration activities provided for in the 2022-2024 Multi-Year Strategic Plan ("UniCredit Unlocked") presented to the market on 9 December 2021.

He added that the cancellation would be carried out without reducing the nominal share capital and, as the shares representing the share capital of the Company had no nominal value, the number of existing shares would be reduced. He also clarified that, from an accounting point of view, the cancellation of treasury shares would have no effect on the economic results and would not cause changes in the total value of net equity, although it would change its composition.

The Chairman opened the discussion on the first item on the agenda of the Meeting in extraordinary session, reminding the shareholders present that they were called upon to resolve on the amendment to the Articles of Association necessary for the

cancellation of the treasury shares purchased following the resolution passed by this Meeting in ordinary session earlier. He also invited all those present who wished to speak to state their names before speaking and to focus their speeches and questions on the aforementioned item. He also asked that the speakers be as succinct as possible, bearing in mind that the time deemed appropriate for each shareholder, given the topic, would not exceed five minutes. He also asked all shareholders to behave in such a way that he would not have to intervene and that the Meeting would run smoothly.

After opening the discussion, the Chairman gave the floor to shareholder Antonio BAXA, who, after a brief exchange with me, the Notary, on the manner in which the next meeting would be held, complained about the tax burden under the current rules on the purchase of shares.

Shareholder Elman ROSANIA took the floor and, as he requested his speech be recorded in full, the complete transcript is below: "After the ordinary session, I am taking the floor again at 11:17 am in the extraordinary session to confirm that Associazione Liberiamo la Basilicata, Comitato Aria Pulita Basilicata Onlus and Elman Rosania will vote against the item entitled 'Cancellation of treasury shares with no reduction of share capital; consequent amendment to clause 5 of the Articles of Association. Consequent and inherent resolutions', as already expressed in relation to the only item in the ordinary session entitled 'Authorisation to purchase treasury shares aimed at remunerating the shareholders. Consequent and inherent resolutions.'"

Shareholder Marco BAVA took the floor and, after recalling once again the "famous" article 12 of Bill no. 674, once again stigmatised the holding of shareholders' meetings essentially without shareholders, and expressed his opposition to it. He then asked for the reasons for the decision to buy back shares instead of distributing the profits to shareholders.

CEO Andrea ORCEL took the floor and pointed out that UniCredit's distribution policy was divided into a dividend part and a share buyback part. He explained that this decision was the result of a careful assessment of several factors, including market trends and investor expectations. In the event of an undervaluation of UniCredit shares, UniCredit considered it appropriate - in line with best market practices rewarded by shareholders - to carry out a share buyback programme as well as to pay a dividend. He added that, of the 6.5 billion allocated for distribution in 2023, provided the results so allowed, the plan was to pay at least 35% of net profit as a dividend, with the rest being used to buy back shares. Part of this share buyback, he noted, was the 2.5 billion subject to today's approval.

The Chairman gave the floor to shareholder Marco BAVA, who

reiterated once again his disagreement with the Company's decision to buy back shares, believing that the best way to reward shareholders was to distribute dividends, which shareholders could then invest as they wished.

Once everyone had finished speaking, the Chairman declared the discussion closed and proceeded to the vote on the first item on the agenda in extraordinary session concerning the "Cancellation of treasury shares with no reduction of share capital; consequent amendment to clause 5 of the Articles of Association. Consequent and inherent resolutions".

He called on any shareholders who might have moved away from their seats momentarily to return and to remain there throughout the voting.

On the assumption that the contents and arguments in the Directors' Report, which had been made available, were agreed with, the Chairman asked the Meeting to adopt the following resolution, recalling that the proposed amendment to the Articles of Association and the related registration in the Companies' Register were subject to the Supervisory Authority's assessment provision provided for by Legislative Decree no. 385/1993 (Consolidated Law on Banking - TUB), which was issued on 26 October 2023.

I, Notary, thus proceeded to read out the proposed resolution:  
*"The extraordinary shareholders' meeting of UniCredit S.p.A., having evaluated the explanatory report of the Board of Directors drafted pursuant to Article 125-ter of Legislative Decree no. 58 dated 24 February 1998 and Article 72 of the Regulation adopted by CONSOB with Resolution no. 11971 dated 14 May 1999 and in compliance with and according to the proposal contained therein;*

*hereby resolves*

*1. to cancel any UniCredit shares that will be acquired in accordance with this shareholders' meeting's authorisation resolved in ordinary session up to a maximum of UniCredit shares in total not exceeding no. 160,000,000 (one hundred and sixty million) shares of the Company, and to delegate to the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent by role and regulation, either jointly or severally, to (i) determine the effective number of treasury shares to be cancelled in accordance with the purposes set forth in the above-mentioned explanatory report of the Board of Directors; and (ii) carry out such cancellation in more transactions or in a single transaction, in any case no later than the first date between: (a) the date of the shareholders' meeting which will be called to approve the financial statements for the year ending on 31 December 2023; and (b) 30 June 2024 and to carry out any action necessary or appropriate for this purpose;*

*2. to proceed with the above-mentioned cancellation without*

recording any profit or loss in the income statement and without any impact on the net equity of the Company, without prejudice to the amount of the share capital, with a consequent automatic increase in the "accounting par value" of the shares issued by the Company;

3. to insert, as a result of the resolutions adopted in points 1 and 2 above, a new last paragraph in clause 5 of the Articles of Association with the following text:

"The Extraordinary shareholders' Meeting held on 27 October 2023 approved the cancellation of maximum no. 160,000,000 UniCredit treasury shares, granting delegation to the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent by role and regulation, either jointly or severally, to carry out such cancellation, in one or more transactions, within the first date between (a) the date of the shareholders' meeting which will be called to approve the financial statements for the year ending on 31 December 2023; and (b) 30 June 2024, to amend accordingly the number of shares indicated in paragraph 1 of this clause, thereby reducing it for the number of shares effectively cancelled, and to proceed, once the cancellation transactions have been completed, with the repeal of this paragraph."

4. to grant delegation to the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent by role and regulation, either jointly or severally, to carry out, following the completion of the cancellation transactions referred to in points 1 and 2, the repeal of the above-mentioned new last paragraph of clause 5 of the Articles of Association;

5. to approve, as of now, following the execution of the cancellation of treasury shares referred to in points 1 and 2 above, the amendment of clause 5, paragraph 1, of the Articles of Association as regards to the number of shares into which the share capital of UniCredit S.p.A. is divided, indicating in the same paragraph the number of shares that will actually exist as a result of the execution of any cancellation and to grant the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent by role and regulation, either jointly or severally, the power to amend the above-mentioned provision of the Articles of Association by updating the number of such shares and to take any necessary or appropriate action in this regard;

6. to grant the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent for role and regulation, either jointly or severally, all appropriate powers to: (i) implement the above resolutions in accordance with the law; (ii) accept or introduce into the same any amendments or additions (which do not alter the substance of

*the resolutions adopted) which are required for filing with the Companies' Register or by the Authorities or necessary and/or appropriate for the implementation of laws and regulations; (iii) file and register, in accordance with the law, with an explicit and advance declaration of approval and ratification, the resolutions adopted and the text of the Articles of Association updated as per the above".*

The Chairman asked those in attendance to declare any exclusions from the right to vote, or restrictions thereon, pursuant to current provisions.

Having checked that nobody in attendance had stated that they were prevented from exercising their right to vote, the Chairman invited all voters to vote using the "voting terminal" (radiovoter) and to confirm their choice by pressing "OK". It was possible to view the vote cast on the "voting terminal" display and verify that it corresponded with the voting intention.

I, the Notary Public, stated that there were present and represented in the room 3,989 persons entitled to vote, representing 1,234,077,623 shares or 69.149053% of the share capital, of whom 231,710 shares were present in person and 1,233,845,913 shares by proxy.

1,234,077,623 shares were admitted to the vote, representing 100% of the shares present or represented at the Meeting.

After a short pause and having checked if everyone present had voted, the Chairman declared the voting closed.

The Chairman then invited anyone wishing to learn the details of the voting (which would be annexed to these minutes in any case) to make their way to the specific Computershare stand.

Consequently, I, Notary Public, announced the results of the voting as follows:

- 1,231,323,024 votes for, corresponding to 99.776789% of the share capital present and entitled to vote and 68.994705% of the share capital;
  - 2,719,123 votes against, corresponding to 0.220336% of the share capital present and entitled to vote and 0.152361% of the share capital;
  - 35,474 abstentions, corresponding to 0.002875% of the share capital present and entitled to vote and 0.001988% of the share capital;
  - 2 not voting, corresponding to 0.000000% of the share capital present and entitled to vote and 0.000000% of the share capital;
- the total of votes accounted for 1,234,077,623 shares.

The Chairman thus announced approval for the proposal concerning the cancellation of treasury shares with no reduction of share capital, with the consequent amendment to clause 5 of the Articles of Association, as well as the consequent and inherent resolutions.

No share for which the Designated Proxy Holder held a proxy was

excluded from the voting pursuant to article 135-undecies, paragraph 3, of the Consolidated Law on Finance (*TUF*).

The details of the votes cast, indicating the shareholders who had voted against the motion, abstained or did not vote, and the relevant number of shares owned, were available and would be annexed to the minutes of this Meeting.

The Chairman then moved on to the discussion of the second item on the agenda in extraordinary session regarding "Amendments to the Articles of Association to adopt the one-tier corporate governance system."

He provided a succinct presentation of the key elements of the proposal, but - as there were no objections - he did not read the entire Directors' Report on this item since it had been made available to all attendees and publicly disclosed in the manner and according to the deadlines established by law.

Today's extraordinary meeting was convened to approve amendments to the Articles of Association necessary for the adoption of the one-tier governance model. The proposal, he explained, followed a comprehensive process, the results of the Board's self-assessment process and due analysis by the Board to improve the overall governance of the Company.

Next, he explained UniCredit had long adopted the traditional model, and this model had proven efficient over time; however, the one-tier model was now a preferable model in light of the current economic and regulatory climate. In addition, the one-tier model made internal governance more effective by incorporating the supervisory body within the Board of Directors. As a result, under the new structure, he said the Board of Directors would benefit from the assessments of the supervisory body, whose members were also members of the Board of Directors, in order to pursue even more effectively the sound and prudent management of the Bank.

He ended by noting that the first renewal of the governing bodies following today's Shareholders' Meeting would therefore follow the procedures set out in the Articles of Association submitted for approval at this Shareholders' Meeting, which were functional for the election of a Board of Directors and, within the Board, the Audit Committee (also known as the *Comitato per il Controllo sulla Gestione*).

The Chairman opened the discussion on the second item on the agenda of the Meeting in extraordinary session, reminding the shareholders present that they were called upon to resolve on the amendments to the Articles of Association necessary for UniCredit to adopt the one-tier governance model. He also invited all those present who wished to speak to state their names before speaking and to focus their speeches and questions on the aforementioned item. He then asked that the speakers be as succinct as possible, bearing in mind that the time deemed appropriate for each

shareholder, given the topic, would not exceed five minutes. He asked all shareholders to behave in such a way that he would not have to intervene and that the Meeting would run smoothly. He then invited Mr. Gianpaolo ALESSANDRO to provide answers to the questions formulated by the shareholders who asked to speak. After opening the floor to debate, the Chairman gave the floor to shareholder Marco BAVA, who expressed his disagreement with the adoption of the one-tier model proposed today and his surprise at the way in which the Board of Directors would be appointed. In particular, he noted that the role currently played by the Chairman of the Board of Statutory Auditors, who was elected by minority shareholders, would be completely devalued.

Finally, Mr. Marco BAVA called for an assessment of the risks of article 12 of Bill no. 674, which had been mentioned several times, and hoped that the Bank would not adopt the provisions contained therein, because often decisions that seemed to facilitate processes could then cause significant problems.

At this point, a brief exchange took place between shareholder Marco BAVA and Mr. Giampaolo ALESSANDRO, who reiterated that the choice of the one-tier system proposed by the Board of Directors ensured fairness and transparency in the control system.

He also said there would be two separate votes by the Board of Directors with regard to their different management and control functions, and that the Chair of the Audit Committee would be elected from the minority list; in this regard, he referred to the contents of the Board of Directors' report on this point.

Mr. Elman ROSANIA took the floor and, as he requested his speech be recorded in full, the complete transcript is below:

"I take the floor again in the extraordinary session at 11:55 am to point out that the proposal under discussion to change from the so-called traditional model to the so-called one-tier model does not seem to be entirely clear and so Associazione Liberiamo la Basilicata, Comitato Aria Pulita Basilicata Onlus and Elman Rosania, as already expressed in previous votes, express their vote against this item in extraordinary session entitled 'Amendments to the Articles of Association to adopt the one-tier corporate governance system.'

Finally, Mr. Chairman, as I pointed out from the floor during the ordinary session, with your placet/consent, I hope that my remarks, as spoken from the podium, on the clarification of Notary Ezilda Mariconda during the discussion of the cancellation of treasury shares without reducing the share capital, on the excerpt of the document of only 2 pages, which I handed to the Chairman as an integral part of my speech during the ordinary session, will be reflected in today's minutes.

More specifically, I hope it is reported in today's minutes that at a previous Unicredit Shareholders' Meeting on 8 May 2008 in Rome - chaired by Dieter Rampl with the assistance of the then

CEO Alessandro Profumo (the first held after the merger with Capitalia) and the notary public taking the minutes, Salvatore Mariconda, brother of the notary public Ezilda Mariconda present here today - there was an attachment in the original English language version and in the version translated into Italian under E/2 (after another document under E/1) of the excerpt of Ruling no. 71/2008 in the first instance of the Civil Court of Melfi between the group of minority investors of the former Banca Mediterranea and the bank/incorporating entity of the former subsidiary Lucania bank."

Once all the speeches had finished, the Chairman declared the discussion closed and proceeded to vote on the second item on the agenda of the Meeting in extraordinary session concerning the amendments to the Articles of Association for the adoption of the one-tier corporate governance model.

He called on any shareholders who might have moved away from their seats momentarily to return and to remain there throughout the voting.

On the assumption that the contents and arguments in the Directors' Report, which had been made available, were agreed with, the Chairman asked the Meeting to adopt the following resolution, recalling that the proposed amendment to the Articles of Association and the related registration in the Companies' Register were subject to the Supervisory Authority's assessment provision provided for by Legislative Decree no. 385/1993 (Consolidated Law on Banking - TUB), which was issued on 20 October 2023.

I, Notary, thus proceeded to read out the proposed resolution:  
*"The Extraordinary Meeting of UniCredit S.p.A., having acknowledged the proposal made by the Board of Directors,*

*resolves:*

- 1. to adopt the one-tier corporate governance system, with effect from the date of the renewal of the corporate bodies currently in office, pursuant to Articles 2409-sexiesdecies and following of the Italian Civil Code;*
- 2. to approve, as a whole, the new text of the Articles of Association consisting of 33 (thirty-three) articles and attached to the report of the Board of Directors, amended with respect to the current text only in the following clauses: Clause 4, Clause 20, Clause 22, Clause 23, Clause 24, Clause 25, Clause 26, Clause 30, Clause 34;*
- 3. to further approve that all changes to the Articles of Association shall become effective upon the first renewal of the corporate bodies to which they apply following today's Shareholders' Meeting, except for Clause 20, which shall apply from the date of the notice convening the Shareholders' Meeting, called to resolve on the appointment of the new corporate bodies;*
- 4. to grant the Board of Directors and, for it, the Chair of the*

*Board of Directors, and the Head of Group Legal, also severally and with the power to sub-delegate to the Executive Personnel of the Company, any appropriate power to: (i) provide for the implementation, in accordance with the law, of the resolutions under the points above; (ii) accept in, or add to, the same, potential amendments or integrations (which do not alter the substance of the resolutions adopted) which may be requested for the registration with the Company Register or by the Authorities or necessary and/or appropriate for the implementation of laws and regulations; (iii) provide for the filing and the registration, in accordance with the law, with explicit and anticipated declaration of approval and ratification of the resolutions resolved upon and of the text of the Articles of Association updated with the above."*

The Chairman asked those in attendance to declare any exclusions from the right to vote, or restrictions thereon, pursuant to current provisions.

Having checked that nobody in attendance had stated that they were prevented from exercising their right to vote, the Chairman invited all voters to vote using the "voting terminal" (radiovoter) and to confirm their choice by pressing "OK". It was possible to view the vote cast on the "voting terminal" display and verify that it corresponded with the voting intention.

I, the Notary Public, stated that there were present and represented in the room 3,989 persons entitled to vote, representing 1,234,077,623 shares or 69.149053% of the share capital, of whom 231,710 shares were present in person and 1,233,845,913 shares by proxy.

1,234,077,623 shares were admitted to the vote, representing 100% of the shares present or represented at the Meeting.

After a short pause and having checked if everyone present had voted, the Chairman declared the voting closed.

The Chairman then invited anyone wishing to learn the details of the voting (which would be annexed to these minutes in any case) to make their way to the specific Computershare stand.

Consequently, I, Notary Public, announced the results of the voting as follows:

- 1,230,478,770 votes for, corresponding to 99.708377% of the share capital present and entitled to vote and 68.947399% of the share capital;
- 1,930 votes against, corresponding to 0.000156% of the share capital present and entitled to vote and 0.000108% of the share capital;
- 3,596,921 abstentions, corresponding to 0.291466% of the share capital present and entitled to vote and 0.201546% of the share capital;
- 2 not voting, corresponding to 0.000000% of the share capital present and entitled to vote and 0.000000% of the share capital;

the total of votes accounted for 1,234,077,623 shares.

Thus, the Chairman said that the proposal to amend the Articles of Association to adopt the one-tier corporate governance model had been approved.

No share for which the Designated Proxy Holder held a proxy was excluded from the voting pursuant to article 135-undecies, paragraph 3, of the Consolidated Law on Finance (*TUF*).

The details of the votes cast, indicating the shareholders who had voted against the motion, abstained or did not vote, and the relevant number of shares owned, were available and would be annexed to the minutes of this Meeting.

Since there were no further matters to resolve on and nobody asked to speak, the Chairman thanked everyone for attending and adjourned the Meeting at 12:04 pm.

The following documents are attached to these minutes:

the original questions asked by  
Shareholders in Italian*

**Pursuant to the provisions of Article 127-ter TUF, this document contains the answers of UniCredit to the questions pertaining to the items on the agenda of the 27 October 2023 Shareholders' Meeting submitted by the entitled Shareholders and received by the deadline.**

## **MARCO BAVA**

**Question 1:** Bankitalia's pressure does not break through the plans of Andrea Orcel, who closes to the marriage with Mps: "We have proven in the last two and a half years that if the conditions are not right we will not move." Also because at current prices, for the manager, it is much cheaper to buy own shares and keep shareholders remuneration high. Yes but this will reduce Pn with negative consequences on capital ratios. How will they change with the operations you propose ?

*Please refer to the answer to question no. 3.*

**Question 2:** The tax on extra-profits does not affect UniCredit's objectives" says Orcel speaking at Bank of America's Financials ceo conference where he confirmed that he intends to distribute at least €6.5 billion to its shareholders in 2024, including dividend and share buybacks. With an advance to this year of a 2.5 billion tranche of the buyback. An announcement rewarded by the market with the stock gaining 4.7% to 23.10 euros in the Italian Stock Exchange. "We think that a remuneration" in excess of 6.5 billion a year "is sustainable in the foreseeable future," i.e., for 2024 and 2025, years that Orcel still expects to be "positive" for the bank, thanks to reduced expenses, a contained cost of risk, and the increasing contribution of commissions, which from 2025 should benefit from the internalization of insurance : what does it mean ?

*Please refer to the answer to question no.3.*

**Question 3:** "High rates for longer," while the gap with deposits is NOT slowly narrowing causes UniCredit to decide to bring forward part of the 2024 buyback to this year, after already distributing 5.25 billion to shareholders during the year, taking advantage of "high levels of capital and best-in-class organic capital generation. This underlines the UniCredit's commitment to delivering attractive and sustainable returns for shareholders while preserving capital strength." Wouldn't an advance dividend have been more logical than a reduction in the "PN" ?

*The €2.5 billion share buy-back tranche for which approval is sought, part of the overall distribution for 2023, corresponds to a negative impact of approx. 86 basis points (0.9 p.p.) on the CET1 ratio and the Group's other main capital ratios (Tier 1 ratio and Total Capital ratio). It is therefore more than offset by organic capital generation in the first nine months of the year. In fact, the CET1 ratio as of September 2023, pro-forma for the €2.5 billion tranche in approval, is 16.33%, significantly higher than the 14.91% of the December 2022 CET1 ratio pro-forma for the share buy-back on the 2022 results.*

*The planned distributions - dividends and share buy-backs - are ordinary and sustainable, as they correspond to only a part of the capital generated organically, and consequently are accompanied*

*by an improvement in the level of capitalization. This approach, introduced with the UniCredit Unlocked strategic plan, certainly applies to the overall distribution for 2023, expected to be at least €6.5 billion, of which the €2.5 billion tranche is a component, which compares with an organic capital generation forecast for 2023 equal to or greater than 320 basis points of CET1, which is equivalent to more than 9 billion in capital.*

*With the UniCredit Unlocked strategic plan, distributions have been explicitly defined as a mix of dividends and share buy-backs. We believe that slightly prioritizing the share buy-back component in the composition of the mix for 2023, in the face of an impact on equity that naturally does not differ, can, at the moment, help to increase shareholder returns. This is also a function of the relationship between the intrinsic value of UniCredit shares and their market value. In fact, we expect that, also thanks to the share buy-back, market valuations will improve to better reflect the intrinsic value of the shares in line with our achievements in terms of sustainable profitability and risk reductions, increasing shareholder returns. This same effect can, of course, reduce the relative attractiveness of share buy-backs in favor of dividends, which we expect to grow in future years.*

## **TOMMASO MARINO**

**Question 1:** In the Directors' Report on the remuneration, ordinary part, you ask us to authorize the purchase of treasury shares with a total value of 2.5 billion. Since you call UniCredit shares "No par value" in such said Report, do you mean to say that these shares have no par value, or that it is not reported? If a share has no par value, does that mean that it is non-existent, or am I wrong? If it is as I think, what are your reasons for using the plural of the adjective "privo", i.e. "prive"?

*Articles 2328 and 2346 of the Italian Civil Code provide for the possibility of issuing shares without indication of par value and, in full compliance with these legal provisions, the extraordinary shareholders' meeting of UniCredit held on 15 December 2011 approved the consequent amendment of Article 5 of the Articles of Association, according to which the share capital is divided into shares without par value. Furthermore, reference is made to what has already been represented to the shareholder at the shareholders' meeting of 14 September 2022, on pages 14 and 20 of the "Shareholders' Meeting Minutes" file published on the Company's website at the following link [14 September 2022 Ordinary and Extraordinary Shareholders' Meeting – UniCredit \(unicreditgroup.eu\)](#).*

**Question 2:** When UniCredit, or whoever on its behalf, will buy the shares to be cancelled, will the directors and the personnel of UniCredit holding securities be able to sell, if they want to?

*The buy-back programme, in accordance with applicable regulations, applies indistinctly to all shareholders and will be implemented through market purchases or other trading systems in ways that do not allow the direct matching of buy trading proposals with predetermined sell trading proposals.*

*UniCredit's directors and personnel in considering whether to place proposals to sell on the market during the period in which the buy-back will be taking place (which has, moreover, been disclosed to the market in advance) will be subject to the limitations set forth in the market abuse regulations applicable to all shareholders (e.g., the prohibition on insider dealing), in addition to the limitations typical of their role (e.g., the prohibition on entering into certain transactions during the so-called "closing periods" prior to the announcement of financial statements) and additional limitations set forth in the applicable regulations.*

**Question 3:** Why do you prefer to buy shares instead of distributing an extraordinary dividend?

*On the 20 September we announced the intention to commence a 2.5 billion tranche of the 2023 Share Buy-Back Programme, which if approved would commence to deliver on our intention to distribute at least 6.5 billion to shareholders on the 2023 results. The Group is achieving strong and sustainable results and benefits from its high capital levels and best-in-class organic capital generation, underpinned by consistently strong financial performance, solid asset quality and structurally lower Cost of Risk. This has positioned the Company very well to weather periods of macro uncertainty and allows it to front load a portion of its 2023 share buy-back. The current distribution mix continues to be skewed towards share buy-backs ("SBB") as this creates the best value factoring in our market valuation still well below intrinsic value, structurally reducing the number of shares - as we progressively cancel those we buy - and boosting per share values. We remain committed to striking the right balance between cash dividend and buybacks and are committed to a sustainable dividend. As our valuation improves over time, we are open to gradually increase the cash dividend component in the distribution mix to maintain an attractive cash dividend yield.*

**Question 4:** Have you set the purchase dates?

*The purchase authorisation is requested to the shareholders' meeting until the earliest of: (i) the date of the shareholders' meeting which will be called to approve the financial statements for the year ending on 31 December 2023 and (ii) 30 June 2024. It is understood that any purchase transactions may be carried out only after the issuance of the required permission from the ECB (and within the limits thereof). The Company will communicate the procedures and the commencement date of the share buy-back programme in accordance with laws and regulations in force and applicable from time to time.*

**Question 5:** By buying shares, net assets ("patrimonio netto") decrease. So what is the benefit to shareholders?

*The €2.5 billion share buy-back tranche for which approval is sought, part of the overall distribution for 2023, corresponds to a negative impact of approx. 86 basis points (0.9 p.p.) on the CET1 ratio and the Group's other main capital ratios (Tier 1 ratio and Total Capital ratio). It is therefore more than offset by organic capital generation in the first nine months of the year. In fact, the CET1 ratio as of September 2023, pro-forma for the €2.5 billion tranche in approval, is 16.33%, significantly higher than the 14.91% of the December 2022 CET1 ratio pro-forma for the share buy-back on the 2022 results. As a result of our distribution policy, characterized by a mix of cash dividends and share buy-backs, and of our structurally improved profitability, total shareholder return ("TSR") is up by more than 300% since December 2021 and over 80% year to date. Our accrued dividend per share as of 9M23 has significantly increased to 1.28 vs 0.42 as of 9M21 and our tangible book value per share ("TBVPS") has grown significantly above peers since 2021, as has our earnings per share ("EPS").*

**Question 6:** Which company will be in charge of carrying out the purchase of treasury shares? What will be the cost? Who manage such a company?

*For the purpose of executing the share buy-back programme, it is envisaged that UniCredit will engage a qualified third-party broker, which will decide on the stock purchases in full*

*independence, also in relation to the timing of the transactions and in compliance with the daily price and volume limits and the terms of the programme.*

*The name of the broker will be communicated at the commencement of the programme, in accordance with laws and regulations in force and applicable from time to time. The overall costs paid for the execution of the programme will be in line with market standards.*

**Question 7:** In the adoption of the one-tier model is it normal that controlling directors appoint 3 colleagues members of the audit committee to be controlled?

*In the one-tier model proposed to the Shareholders' Meeting of UniCredit S.p.A., it's the latter that appoints all the members of the Audit Committee, in accordance with the regulations issued by the Bank of Italy.*

**Question 8:** Of the 9% shares that will be purchased, what percentage will be allocated to remunerate executives and directors, including the CEO?

*The SBB is aimed exclusively at remunerating shareholders through cancellation and no other uses of the purchased shares are planned.*

**Question 9:** Can you tell us how much the Group's total debt amounts to? This figure certainly influences the decision whether or not to vote to buy back treasury shares instead of providing for debt payments.

*Consolidated Results as at 30 September 2023 report overall liabilities for 763 billion net of equity items; for details, you can refer to the Press Release relating to the results of the 3rd quarter of 2023, published on 24 October 2023, under the title "UniCredit: 3Q23 and 9M23 Group Results", in the UniCredit web site.*

**Question 10:** Will securities purchases also be made from individuals or only on the Market?

*With reference to the procedures for the execution of the purchases, it is envisaged that the purchases will be carried out, in accordance with the provisions of article 144-bis, paragraph 1, letter b) of the Issuers' Regulations, on regulated markets or multilateral trading facilities on which UniCredit shares are traded according to the operating procedures set out in the regulations governing the organisation and management of the relevant market, which do not allow direct matching of buy orders with predetermined sell orders. The Company will communicate the purchase transactions of treasury shares in accordance with laws and regulations in force and applicable from time to time.*

**Question 11:** Is it true that we continue to be exposed to Russia to the amount of around EUR 10 billion? If so, why are we spending €2.5 billion to buy our own shares?

*The 2,5 Euro billion tranche is a component of ordinary and sustainable 2023 distributions. In fact, it is just a part of the capital organically generated. The level of capitalization of the Group, as measured by CET1 ratio, has increased in the first 9 months of the year, also pro-forma for the impact of the tranche under approval. This is a result, inter-alia, of the enhanced attention to the efficient usage of capital and of the reduction of risk exposures. The evolution of Russia exposure since March 2022 is reported within the 3Q23/9M23 Group Results presentation.*

## **ASSOCIAZIONE LIBERIAMO LA BASILICATA - COMITATO ARIA PULITA BASILICATA ONLUS - ROSANIA ELMAN**

**Question 1:** [...] since it is written in the Board of Directors' report that the UniCredit shares are "without par value," the shareholders Associazione Liberiamo la Basilicata, Comitato Aria Pulita Basilicata Onlus and Elman Rosania (the latter also in his capacity as representative of the minority reference group of the former Banca Mediterranea [...]) jointly ask to know from top management, why UniCredit shares are not given any par value.

*The wording reported in the Directors' Report merely reproduces the text of Article 5 of the Articles of Association as amended by the Extraordinary Shareholders' Meeting of UniCredit of 15 December 2011 on the basis of a possibility expressly provided for by Articles 2328 and 2346 of the Italian Civil Code, aimed at allowing greater flexibility in share capital transactions. See also the answer no.1 to the shareholder Marino.*

**Question 2:** [...] , why the top management of UniCredit (after recalling the forecast of result and distribution to shareholders of 6.5 billion euros for the year 2023) are asking to be authorized by the shareholders' meeting to purchase the significant "stock" of UniCredit treasury shares of 2.5 billion euros, which they declare to be aimed at the "remuneration" of the shareholders, when instead the remuneration of the same shareholders can take place more simply and expeditiously with the disbursement of the 2.5 billion euros in the stock dividend for the financial year 2023?

*With the UniCredit Unlocked strategic plan, distributions have been explicitly defined as a mix of dividends and share buy-backs. We believe that slightly prioritizing the share buy-back component in the composition of the mix for 2023, in the face of an impact on equity that naturally does not differ, can, at the moment, help to increase shareholder returns. This is also a function of the relationship between the intrinsic value of UniCredit shares and their market value. In fact, we expect that, also thanks to the share buy-back, market valuations will improve to better reflect the intrinsic value of the shares in line with our achievements in terms of sustainable profitability and risk reductions, increasing shareholder returns. This same effect can, of course, reduce the relative attractiveness of share buy-backs in favor of dividends, which we expect to grow in future years.*

**Question 3:** And can the purchases of the significant "stock" of 160,000,000 treasury shares (9% of UniCredit's share capital), to be made once the authorizations required by the Board of Directors are given, also be aimed at the bestowal of bonuses and other instruments of a kind for the benefit of UniCredit's top and senior management and officers and employees?

*Please refer to the answer to question no. 8 of shareholder Marino.*

**Question 4:** How and with whom does UniCredit's top and senior management intend to make purchases of the significant "stock" of 160,000,000 treasury shares (9% of UniCredit's share capital), and what categories of UniCredit shareholders do they intend to target to make such purchases?

*For the purpose of executing the share buy-back programme, it is envisaged that UniCredit will engage a qualified third-party broker, which will decide on the stock purchases in full independence, also in relation to the timing of the transactions and in compliance with the daily price and volume limits and the terms of the programme.*

*The name of the broker will be communicated at the commencement of the programme, in accordance with laws and regulations in force and applicable from time to time. With reference to the procedures for the execution of the purchases, it is envisaged that the purchases will be carried out, in accordance with the provisions of article 144-bis, paragraph 1, letter b) of the Issuers' Regulations, on regulated markets or multilateral trading facilities on which UniCredit shares are traded according to the operating procedures set out in the regulations governing the organisation and management of the relevant market, which do not allow direct matching of buy orders with predetermined sell orders.*

*The Company will communicate the purchase transactions of treasury shares in accordance with laws and regulations in force and applicable from time to time.*

**Question 5:** Can the significant "stock" of 160,000,000 UniCredit treasury shares also be achieved through purchases of shares held by directors and members of UniCredit organisms-bodies or executives/managers and/or employees and/or persons connected to them for any reason whatsoever? And also through purchases of equity shares held by companies of the UniCredit Group and/or their directors, members of organisms-bodies or executives/officers and/or persons related to them for any reason whatsoever? And also through purchases of shares held by political parties and/or their associates and/or persons connected to them for any reason whatsoever?

*Please refer to the answer to question no. 10 of shareholder Marino.*

**Question 6:** What effect will the purchases of the significant "stock" of 160,000,000 treasury shares (9% of UniCredit's share capital) by the Board of Directors have on the corporate balance sheet and particularly on the Bank's assets?

*As reported in the relevant Directors' Report, the cancellation will be carried out with no reduction of the nominal value of UniCredit's share capital. The cancellation of the shares purchased with the SBB determines a reduction of the outstanding shares entitled to payment of the dividend, leading to an increase their accounting par value, as well as an increase in the dividend per share (DPS). The Bank's Net Equity will be reduced by an amount equal to the overall consideration of the shares purchased, up to a maximum amount equal to 2.5 billion.*

**Question 7:** Who will be the individuals appointed to carry out the transactions to purchase the important "stock" of 160,000,000 treasury shares (9% of UniCredit's share capital) and how much will their services cost?

*Please refer to the answer to question no. 6 of shareholder Marino.*
