

# SKILLS FOR TRANSITION

## BOOTCAMP

This course is dedicated to talented **young graduates and non-graduates** who would like to expand their knowledge through a specialized program on **Green Transition** issues.

The Bootcamp will take on a maximum of **160 students** from Bulgaria, Czech Republic, Germany, Italy, Romania and Slovakia selected based on the criteria outlined below. Students who successfully complete the bootcamp will receive:

- **Participation certificate**
- **LinkedIn Open Badge**

**No fee is required because both courses are entirely financed by UniCredit**

### Duration

4 months, starting in January 2025

### Delivery mode

Online classes with final graduation ceremony in person in Milan

### Lesson timetable

- Biweekly challenges for the first six weeks (complete schedule below)
- Business Transformation Project for two and a half months, with weekly meetings

### Requirements

- English proficiency: B2 and above
- Born within 1990
- Bachelor's Degree already earned or higher technical education

### Countries involved

Bulgaria, Czech Republic, Germany, Italy, Romania and Slovakia

## BOOTCAMP CONTENTS

### PHASE 1 – First Challenge

Students will be involved in the first 2-week megatrends challenge

### PHASE 2 – Second and Third Challenge

Students will be divided into four different specializations in line with their preferences. Each specialization includes 2 challenges lasting 2 weeks:

- Energy: Power and Oil & Gas + Iron & Steel
- Transportation: Automotive + Aviation & Shipping
- Service: Agriculture + Food sector
- Manufacturing & Industrial: Commercial & Real Estate + Construction

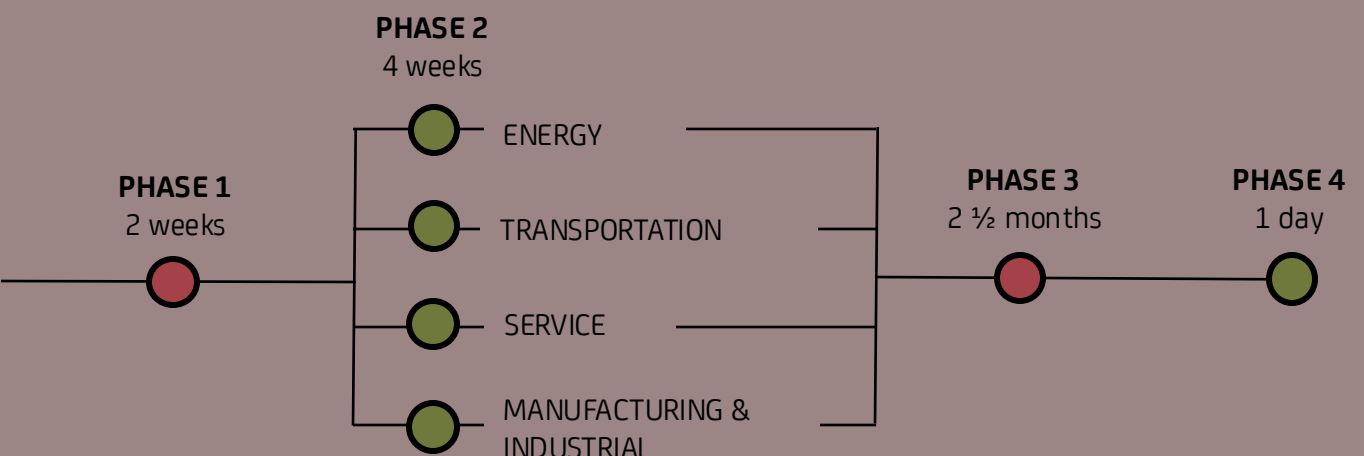

### PHASE 3 – Business Transformation Projects

Students will develop a Business Transformation Project, working in small groups

### PHASE 4 – Final Celebration

Students will have the possibility to present their Business Project Work to faculty of POLIMI Graduate School of Management. The final celebration will take place in presence in Milan, in April 2025.

*Students must cover their own travel costs for attending the final Celebration.*

## THE CHALLENGES' STRUCTURE

### Week 1

Every day from 17.30 to 20.30 CET

Mon.		Live sessions with the GSoM Faculty to deep dive on the chosen topic
Tue.		Launching the challenge by the company, based on a real need
Wed. - Thu. - Fri.		Live sessions with the GSoM Faculty to deep dive on the chosen topic

### Week 2

Every day from 12.00 to 14.00 and from 17.30 to 19.30 CET

Mon. - Tue.		1to1 sessions between the groups and GSoM Faculty member
Wed. - Thu. - Fri.		Presentation of the results by each group

## THE BOOTCAMP'S PROGRAM METHODOLOGIES

Live sessions with the faculty for an in-depth exploration of the chosen topic and/or company presentations and testimonials

Involvement from companies and stakeholders in the sector/function of interest, sharing their experiences and launching dedicated challenges based on real industry needs

One to one sessions between the groups and a POLIMI GSoM faculty member to provide support to students during the development of the project

Opportunity to implement tangible, useful and strategic projects for the company through the Business Transformation Project
